

Bajaj Finserv Large Cap Fund

An open ended equity scheme predominantly investing in large cap stocks

Data as on 31st July 2025

Portfolio Strategy

The objective of the Scheme is to generate long term capital appreciation and income distribution to investors by predominantly investing in equity and equity related instruments of large cap companies. The fund manager seeks to invest in some of the largest companies in India or the Champions of Corporate India. These companies, embodying resilience and innovation, are rapidly expanding to capitalize on India's dynamic economy, leveraging a robust consumer base and rising middle class.
